TABLE ART

Butterball® Farms trademarked butter Roses are the perfect choice if you're looking to create a memorable dining experience for your patrons. Our beautiful Roses add elegance to your well-dressed table. We are passionate about our role in producing artisan quality, tabletop butters. Our beautiful butter means satisfied guests and repeat business, and that is a very good thing.

Offering a veritable rose garden of choice!

Portion-controlled and ready-to-serve, in EZ Serve® or POP-OUT® formats, they're simple to plate and store. Whether you choose Roses, Rosettes, or our new Budding Rose, each is available in a size and format to suit your dining needs.

Our POP-OUT® format makes serving beautiful butter simple and elegant. Packaged in an economical, 70 count (.23 oz. each) sheet, these Roses go straight from the freezer to the table. All you need to do is POP-OUT® and serve!

Our EZ Serve® format is perfect for high-volume operations. Perfect butter Roses are placed into individual compartments, which separates each Rose and eliminates breakage. They're easy to serve, from the freezer to the table. Simply slip a knife under each Rose to lift it from the tray to the serving dish!
