BARREL-CHURNED • ALL NATURAL

BUTTER . PERFECTED™.

All-natural Silver Service European-style butter from Churn84™ is meticulously handcrafted by our master butter maker in the picturesque village of Stirling, Ontario. Acclaimed as one of the world's great butters, it delivers a sweet, creamy flavor and luxurious mouthfeel. This, thanks to a superior butterfat content that has—until recently—only been offered by the finest European-produced butters.

Now Silver Service Churn84™ barrel-churned butter is available to your discriminating patrons in generous 1 oz. lightly salted medallions. Each is carefully foil-wrapped and sealed, then packaged in an exquisitely designed jewel box, ready to be served, spread and savored.

Top-drawer quality with taste and texture beyond compare.
